ambika nagar, Nagpur • +91 8788358100 • Portfolio: www.mr-silicon.in

SUMMARY

Passionate and detail-oriented Software Developer with a strong foundation in Cybersecurity and Android App Development. Adept at designing secure, user-centric mobile applications while implementing robust security protocols to protect sensitive data. Eager to leverage technical expertise in Flutter, Python, and proactive threat analysis to build resilient software solutions, streamline user experiences, and tackle complex technological challenges.

PROJECTS

Owen Linux OS

- Engineered a customized Linux-based operating system tailored for optimal performance and a highly secure development environment.
- Integrated core system utilities and customized the graphical user interface to significantly enhance user experience and accessibility.
- Conducted rigorous system testing to ensure long-term stability, broad hardware compatibility, and robust baseline security configurations.

Blockchain Database in Python

- Developed a decentralized blockchain database system from scratch using Python to ensure absolute data integrity and immutability.
- Implemented cryptographic hashing algorithms (SHA-256) to securely link blocks and effectively prevent unauthorized data tampering.
- Designed a peer-to-peer networking architecture to seamlessly synchronize the blockchain state across multiple distributed nodes.

Code Editor in Python

- Created a lightweight, syntax-highlighting code editor utilizing Python and Tkinter for a streamlined and distraction-free development experience.
- Integrated advanced productivity features such as real-time error detection, auto-indentation, and comprehensive multi-language support.
- Optimized underlying file handling operations, resulting in exceptionally fast load times and efficient memory management for handling large scripts.

EDUCATION

Bachelor of Science in Data Science

RTMN University

ADDITIONAL INFORMATION

- **Technical Skills:** Python, Flutter/Dart, Django, Fast Api, Prompt Engineering
- **Languages:** English, Hindi, Marathi
- **Certifications:** Prompt Engineering (IIT Bombay), Cybersecurity (TuteDude)
- **Awards/Activities:** 1st Rank in Coding Compilation Techtrix (Priyadarshni)
